And then again gathering inner fires and magic,
And on the earth each day from heaven
Wings and might, and mighty would a glorious art fall
To his fellow, for even so down he travailed.

Bound in their chains beneath the wide-wound earth,
They were.

Zeus resumed the compound按照 his form.

And returning seated on high Tithonus
Brought the monitor of the gathering gods.
Form the foundation on Olympus reared

The whole earth instinct a giant's size.

A dreadful sound troubled the boundless sea.
How the World and Man and Wife Were Created

On the first day of creation, God said, "Let there be light". And there was light. God saw that it was good, and He led His hands to shape the earth. On the second day, God said, "Let there be firmament, and let it divide the waters which are under the heaven from the waters which are above the heaven". And it was so. God called the firmament Heaven. And God said, "Let the waters under the heaven be gathered together into one place, and let the dry land appear". And it was so. God named the dry land Earth. The deep He called Seas. And God saw that it was good. The fourth day, God said, "Let the lights in the firmament be for day and for night, and let them be for signs and for seasons". And it was so. God made the sun and the moon and the stars. And the sun was set in the firmament by the hand of God. The fifth day, God said, "Let the waters bring forth multitudes of living creatures, and let fowl fly above the earth". And it was so. God made fish and birds. The sixth day, God said, "Let us make man in Our image, after Our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth". And it was so. God made Adam and Eve. And Adam and Eve were good. The seventh day, God said, "It is finished". And God rested on the seventh day from all His work which He had made. And God blessed the seventh day and sanctified it, because in it He had rested from all His work which He had made. And God said, "Remember the Sabbath day, to keep it holy. Six days shalt thou labor, and do all thy work; but on the seventh day is the Sabbath of the Lord thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy servant, nor thy maidservant, nor thy ox, nor thy ass, nor any of thy cattle, nor thy stranger which is within thy gates; for in six days the Lord made heaven and earth, the sea, and all that is therein, and He rested on the seventh day: wherefore the Lord blessed the Sabbath day, and圣化了之。

WORLD AND MANY WERE CRESTED
that the Father of Heaven and of Earth, who is over all, and through whom all things were made and have come to be.

For therein lies the secret of why the good men on the surface of the earth live in peace and tranquility, and the evil men are always in trouble. The reason is that the good men keep the commandments of God, while the evil men transgress the commandments of God and are punished for their sins.

For the good men are always conscious of the presence of God, and they worship Him in the secret places of their hearts. They love God and live according to His commandments, and are therefore blessed.

On the other hand, the evil men are always conscious of their sins, and they have no peace or tranquility. They live in constant fear of God, and are always seeking to escape His wrath.

The good men, on the other hand, have the spirit of God within them, and they are always conscious of His presence. They live in joy and gladness, and are always blessed.

According to another story, the good men spend their lives in the service of God, while the evil men are always seeking their own pleasures.
