Social Contract for Ms. Peel's English Classes

1. Be prepared- Every individual in the class will come to class ready to work by being organized, attentive, timely, and ready to learn. Students will come to class with the required materials.
2. Be enthusiastic and engaged in learning- Every individual in the class will ensure student understanding by covering content, coming into class with good attitude, trying to enjoy class, staying on topic, asking questions, paying attention, always giving 100%, and investing time outside of class in learning.
3. Be respectful- Every individual in the class will maintain eye contact when others are speaking, listen when others are speaking, participate in class, build up the class as well as themselves, abstain from bullying, keep their hands to themselves, and preserve mutual respect between teachers and students
4. Be responsible- Every individual in the class will finish assignments on time, bring in assignments on time, come into class on time, stay organized, stay on top of tasks, and pick up after themselves.
5. Be honest- Every individual in the class will strive to tell the truth respectfully to both the teacher and peers, provide honest help, give your opinion if someone asks for it, and abstain from cheating and plagiarizing.
